

## ASL Powerpoint

---

ASL media pre production

- Nice and colourful ideas
- Kept to my ideas
- Feel the audience involved
- Recognising the difference in the tracks
- Keeping to the themes of the song
- Starting a time travel theme
- Using ideas which were used to live performances
- Low cost budget
- Taking into account my lighting
- Ideas from adverts
- Using motion as part of the art
- Interaction between animation and music
- Fast shaping music
- Space ideas
