Notes

Stage management
House was over crowded and spilling onto the stage. Need to limit to seats only. Headset broke during performance. Now fixed but need to keep a spare working one near by.
LX
Tracking issue with transition into forest scene
SX
SX Q 5 went out without cueing
AV
Props
Props left on stage during performance.
Set
Tabs were slow taking down. 2 tabs were pulled down by actors when walking on as a result of holding on. No chairs as a result of house being full.
